

WARNING:

- **CLASS 2 LASER PRODUCT.
DO NOT STARE INTO BEAM.**
- Ensure the cable and transformer is not positioned where it can be inadvertently damaged by doors, moving objects, people or animals.
- Ensure weatherproof caps are securely screwed on when using outdoors.
- Always ensure the adapter plug, extension cord connections and power boards are not in wet areas.
- Ensure the transformer is kept in a ventilated position while operating.
- Disconnect from mains when not in use.
